

Fidelity Health Care is one of the region's most trusted names in home health care, serving 16 counties in the Miami Valley since 1984. Fidelity's team of skilled professionals provides the individualized care patients need in the comfort of their home to remain independent and improve their quality of life. It is a member of Premier Health.

In-home rehabilitation includes physical, occupational, orthopedic, and speech therapy.

Fidelity educates patients and caregivers how to manage their care at home. Fidelity works with the patient's physician to develop a care plan that meets their needs.

Disease management programs include COPD, CHF, wound and ostomy, infusion therapy, and telehealth programs.

Medical social workers help families and patients with long-term planning, palliative care, finances, and insurance. They also help facilitate connections with available community resources.

Home care aides assist patients with daily living tasks such as bathing, dressing, and personal care.

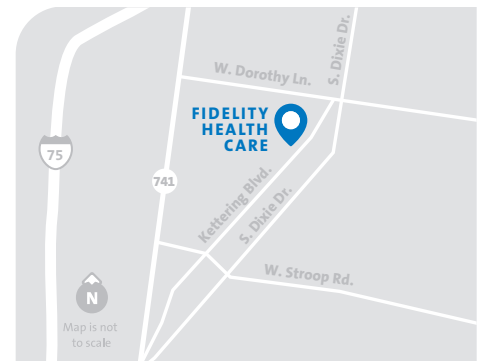

Fidelity provides compassionate care and support with daily activities, including meal planning and preparation, light housekeeping, errands, transportation for appointments, and more.

Fidelity's specially trained infusion nurses administer home infusion therapy medications via needle or catheter in the comfort of a patient's home.

A wide range of medical equipment is available, such as walking aids, hospital beds, wheelchairs, bathroom equipment, and other safety aids that can be delivered to a patient's home
