

stay safe when LIGHTING

YOUR HOME FOR THE HOLIDAYS.

- Use **NO MORE** than **3** light sets on any one extension cord.
- **UNPLUG** extension cords that aren't in use.
- Before leaving home or turning in for the night **TURN OFF** all the lights on your trees and decorations.

CHRISTMAS TREES

deserve a place of honor!

- Keep lots of water in natural tree stands.
- Place them away from fireplaces, radiators, and other heat sources.
- Make sure they don't block foot traffic or doorways.

DON'T let the soft glow of CANDLELIGHT

BECOME A HOLIDAY HAZARD.

- ⊘ **NEVER** use lighted candles near trees, fresh greens, curtains, or any potentially flammable item.
