

Premier Health is dedicated to improving the health of the communities we serve. One of the largest comprehensive health systems in Southwest Ohio, Premier Health offers five inpatient hospital campuses; an urgent care network; free-standing emergency departments; a large primary and specialty care network; behavioral health and substance abuse services; comprehensive laboratory services and home health services. It is led by a locally based board of trustees.

Our hospitals have been recognized for their quality by U.S. News & World Report, Healthgrades, and others. Our facilities are accredited by The Joint Commission; American College of Emergency Physicians; American College of Surgeons Commission on Cancer; and others.

Wright State University serves as Premier Health's primary academic affiliate; the collaboration supports Miami Valley Hospital's designation as an academic medical center and regional health care workforce needs.

Premier Health has four CareFlight helicopters – the area's first and fastest air ambulance service – and five Mobile Intensive Care Units, as well as systemwide Geriatric Emergency Department Accreditation.

Patients have convenient access to care through Premier Physician Network and our growing urgent care and telemedicine services.

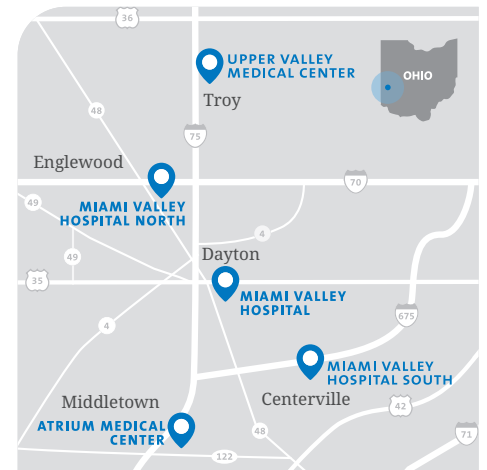

Premier Health is a leader in promoting workplace diversity and utilizing diverse suppliers in the community.

In 2023, Premier Health invested \$189.2 million in free care and other unpaid services to low-income families. The health system also invested \$62.3 million in community projects and services.
