

PHG Update: July 26, 2021

Dear Valued Providers

We want to be a resource to our Premier Health Group Independent providers. As the pandemic has begun to slow, we will continue to provide clinical and operational updates as they become available to support the provider community, but not as frequently as we had before.

We want to ensure the brief continues to bring our providers helpful and useful information. To this end, we will release a new provider brief every other month moving forward, unless communication becomes available more frequently that we feel is vital to share with you.

In addition, we have created a resources page on the [PHG website](#).

Please feel free to contact us directly at **(937) 499-7441** if you have any questions

Yours sincerely,

Matt
