

PHG COVID-19 Update: September 1

Dear Valued Providers

We want to be a resource to our Premier Health Group Independent providers. As our health care system begins to stabilize, we will provide clinical and operational updates as they become available to continue and provide support to providers.

In addition, we have created a resources page on the [PHG website](#).

Please feel free to contact us directly at **(937) 499-7441** with any questions you might have or if you would like to speak with our Medical Director, Scott Swabb, DO.

Yours sincerely,

Diane L. Pleiman, MBA, FACHE
President, Premier Physician Network
