

Founded in 1965, Samaritan Behavioral Health, Inc. (SBHI), a subsidiary of Premier Health, provides mental health and addiction services that touch, teach, and heal. SBHI serves from infancy to age 18 in Southwest Ohio, including Preble (serves all ages), Montgomery, and Miami counties.

SBHI's Substance Abuse Services include outpatient counseling, group counseling, care coordination, peer support, medication-assisted treatment, assessment, and ambulatory detox. These services are delivered in Montgomery County. Our mental health services include, diagnostic evaluation, individual & family counseling, case management and psychiatric services. SBHI delivers these services in Montgomery, Preble and Miami Counties.

Our Preble County Office offers crisis services. Individuals can access services by calling **(937) 456-1915** or **(866) 532-3097** or by coming into the office.

SBHI's Young Children's Assessment and Treatment Services provides early childhood mental health services on-site and in the community. This program serves children and their families from infancy to age 8.
